

LIMBO of the LOST is aimed at players who yearn to play the traditional point & click adventure games of old, Utilizing a full mouse driven interface with incredible visuals and devious puzzles, this is the adventure you have been waiting for!

Help Captain Benjamin Spooner Briggs as he explores the depths of LIMBO in the KEEP of LOST SOULS.

Fail and the very essence of Mankind will be ripped apart.

Somewhere in Limbo

Two huge wooden doors slowly creak open and light seeps into a huge inner sanctum. Two figures; one dressed in black the other white, cross the engraved marble floor and move towards the center of this vast domed room.

They stand either side of a large glass globe that sits in an ornate gold cradle, trapped within it a swirling black smoke weaves and bobs around as if it has a life of its own.

A.T.: Chancen auf ein **deutsches Release?**

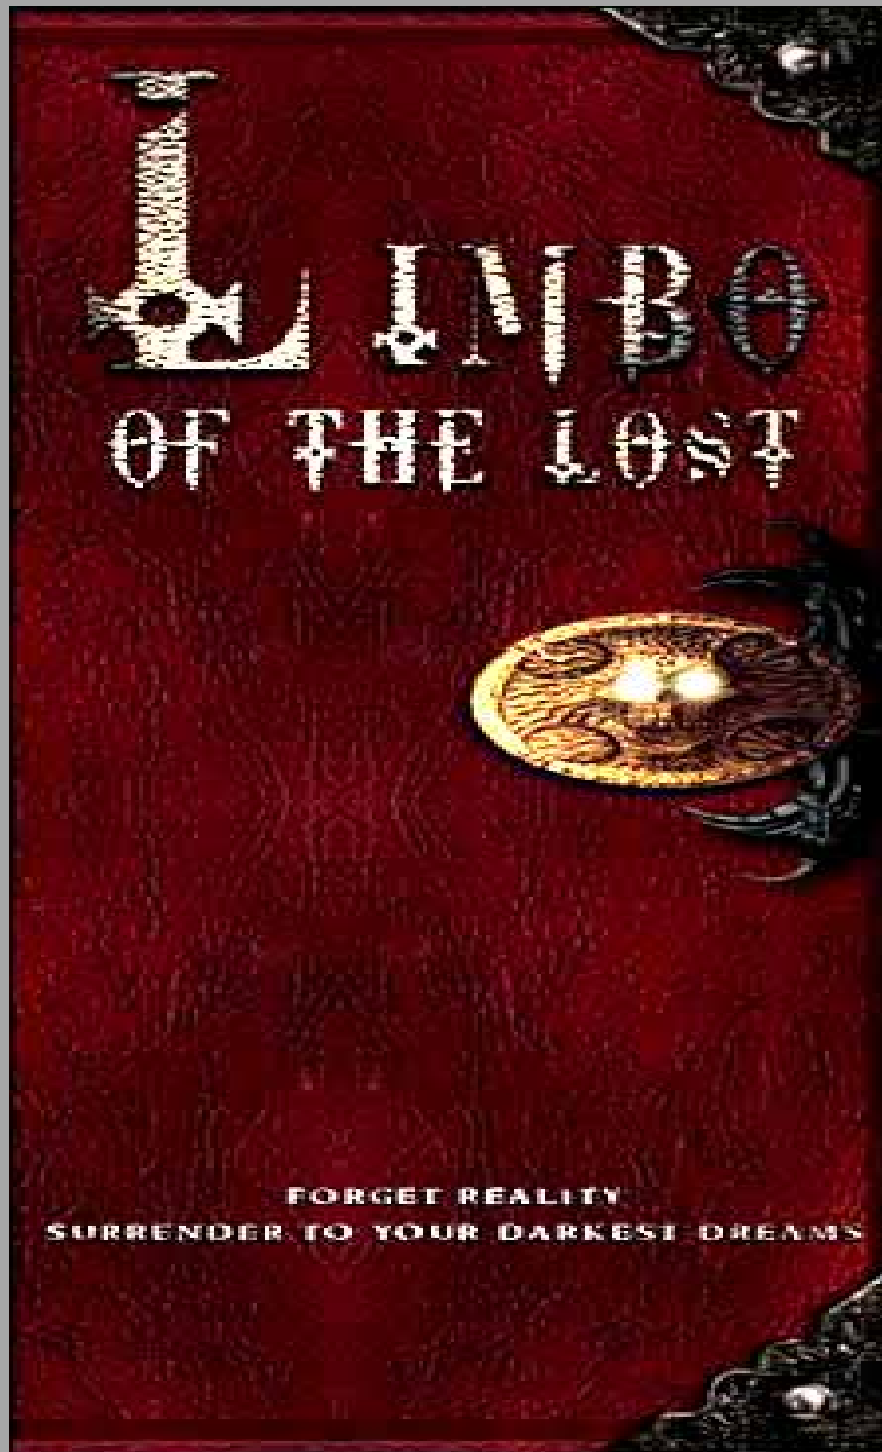

Bovis: Tja, von dem was ich von G2 gehört habe (sie machen die Lokalisierung für verschiedene Territorien) ist auch eine deutsche Version geplant.

Die Antwort ist also **ja.**
