**In the latest mystery for the amateur sleuth in Sweden, Carol is hired by artist Christina Falk, but just a day later her client is found dead, apparently by suicide.**

**But this raises plenty of questions about the cause of death and even the real identity of the person who hired Carol.**

**However, "with a dead client, Carol hasn't even got a case.**

**And with so little information, she hasn't got any clues either.**

**But the last thing that Christina did was to ask for Carol's help, so Carol figures that the least she could do is look into it. And when she uncovers several curious circumstances leading up to Christina's death, Carol just can't let it go."**

## ARTIST CHRISTINA FALK DEAD

Norrköping artist Christina Falk (48) died late yesterday night in her home. She called the Emergency Services at 23:11 from her apartment at Seatwig Road 26, complaining about chest pains and blurred vision. She was already dead by the time the ambulance crew arrived at her home 25 minutes later. The cause of death has not yet been determined, but the Norrköping Police reveal that there are no suspicious circumstances surrounding her death.

Christina Falk was just preparing for her biggest exhibition to date – a retrospective at the Norrköping Art Museum.
