LAW & ORDER LEGACIES

Law & Order: Legacies is now available for
PC and Mac!

Play the show as you investigate crimes and prosecute the offenders. Will you prove the suspect guilty, strike a plea bargain, or will the jury let him walk?

Law & Order: Legacies features all-new stories (ripped from the headlines, of course!) and reunites your favorite characters from across the Law & Order franchise, including Rey Curtis, Lennie Briscoe, Jack McCoy, and SVU's Olivia Benson. Get the game now and play Episodes 1, 2, and 3 with Episodes 4-7 coming very soon!
