### Release Date For Pahelika:

*Revelations Announced An adventure in the lands of Dhara beckons gamers as the release date of the next installment in the Pahelika series nears.*

**20th October, 2011. Dehradun, India.**

**Ironcode Gaming today revealed the release date of Pahelika: Revelations, a casual adventure puzzler for the PC. One of the most anticipated casual games this year, Pahelika Revelations will be unleashed on a very unsuspecting populace on **Nov 6, 2011**, just when they're thinking they've recovered from Halloween...**

After years of hard work, my dream will come true. The Dark Magic Academy will soon throw its gates open.

Here in the academy, far away from the prying eyes, we can pursue our research in peace. For dark magic is neither good or bad - its practitioners though, are another matter.  
- Shiro Mani

We have been careful to only admit those students who adhere to a moral code that prevents them from misusing their power.

This incident makes me sad. I had thought that we had prevented the petty power mongers from gaining admittance to the academy. I was wrong.
