Shadow of a Soul: Chapter I, is a first person survival horror game.

Chapter I is the first game in a planned trilogy.

In the vein of traditional adventure games, players will need to solve puzzles, search for clues and uncover the mysteries while hiding from various manifestations of ghosts.

Chapter I's story revolves around a thief named Jack who is on an industrial espionage mission to steal blueprints of a new product.

However, as he makes his way into the office complex he discovers that not everything about this place is what it appears to be.

As unnatural sounds and horrifying visions begins to unravel before his eyes, Jack begins to have an unnerving feeling that he has become the target of malignant presence and he isn't allowed to leave...

just yet.

Jack's terrifying journey will lead him to mysterious encounters that will leave their marks on his mind as well as his flesh.
